Criticality Code Justification:

Zzzy

Material:

Steel comp 304 tube

Material Specification:

Qq-s-763 federal specification single material response tube

Reference Number Differentiating Characteristics:

Requires special cleaning and packaging for oxygen/nitrogen service iaw with mil-c-52211

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
