**Overall Diameter:**

2.495 inches

**End Application:**

23n ship, ohio class ssn (trident)

**Product Name:**

Coupling nut

**Special Features:**

Material: carbon steel

**Material:**

Steel

**Special Test Features:**

(2).281" holes drilled on 2.00" diameter for spanner wrench, (1) .25-2unc-3b threaded hole for set screw

**General Description:**

Dimensions: 2.495"o.D. X .937" thick, thread info: 1.375-12unf-3b right hand

**Thread Size And Series/type Designator:**

1.375 unf

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
