Tube Outside Diameter For Which Designed:

1.375 inches

Connection Style:

Plain

Material:

Copper alloy

Material Specification:

Astm b152 assn standard single material response

Style Designator:

Cap

Specification Data:

96906-ms35924 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
