**Thread Direction:**

Right-hand

**Criticality Code Justification:**

Zzzy

**Product Name:**

Invertednut, tubec

**Special Features:**

Material 17-4ph stainless steel; gland agl 40 for .250 od tubing

**Material:**

Steel, corrosion resisting

**Material:**

Stainless steel

**Style Designator:**

Inverted nut, tube, flare

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T385-b
