Hose Size:

595.750 inches

Temperature Rating:

Between -20.0 degrees fahrenheit and 160.0 degrees fahrenheit

Surface Treatment:

Passivate nut

Specification Data:

00624-210281-1-12c professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0
