Thread Direction:

Right-hand external

Pipe Size For Which Designed:

0.750 inches

Connection Style:

Plain

Drive End Style:

Square

Body Type:

Solid

Thread Size:

0.750 inches external

Material:

Steel

Material Specification:

Astma105 assn standard single material response

Thread Series Designator:

Nptf external

Specification Data:

96906-ms14304 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0
