**Overall Length:**

18.270 inches

**End Application:**

2320-01-318-9902 het (heavy equipment transporter); 2320-01-304-2277 and 2320-01-304-2278 pls (palletized loading system)

**Pressure Rating:**

125.0 pounds per square inch

**Voltage In Volts And Current Type:**

24.0 dc

**General Description:**

Two quick disconnect cables; 32 def f. Operating temp; air flow 10 cubic ft. Per min

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
