Overall Length:

18.270 inches

End Application:

2320-01-318-9902 het (heavy equipment transporter); 2320-01-304-2277 and 2320-01-304-2278 pls (palletized loading system)

Pressure Rating:

125.0 pounds per square inch

Voltage In Volts And Current Type:

24.0 dc

General Description:

Two quick disconnect cables; 32 def f. Operating temp; air flow 10 cubic ft. Per min

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
