Inlet Connection Type:

Threaded

End Application:

Flight deck scrubber model 550dn

Inlet Connection Size:

1/8 in

Inlet Thread Location:

Internal

Spray Angle In Deg:

15.0

Spray Type:

Solid stream

Flow Capacity At Specificationified Pressure Rating:

1gpm at 40-500psi

Features Provided:

Removable strainer

Material:

Stainless steel

Media For Which Designed:

Chemical or water

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A508d0
