Connection Style:

Grooved (tube) all ends

Connection Type:

Unthreaded external tube all ends

Nominallength:

0.795 inches

Material:

Steel comp xm-12

Material Specification:

Ams 5659 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Grooved both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
