End Application:

M85800/1-08600 hose assembly

Nominallength:

1.500 inches

Special Features:

Nipple includes 17g450138-15 nut. Fitting end per nas1760a08 first end, second end per mil-f-85720/1-08.

Material:

Steel comp xm-12

Material Specification:

Ams 5659 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
