**End Application:**

M85800/1-06600 hose assembly

**Nominallength:**

2.250 inches

**Special Features:**

Nipple includes 17g450138-17 nut. Fitting end per nas1760a16 first end, second end per mil-f-85720/1-16.

**Material:**

Steel comp xm-12

**Material Specification:**

Ams 5659 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0
