Thread Series:

Uns

Thready Qty Per Inch (tpi):

10

Thread Size:

2.921 inches

Special Features:

For pressure regulating valve 1.500 in. Size

Material:

Copper alloy

Material Specification:

Mil-b-16541 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A021a0

Mil-std (military Standard):

Mil-b-16541 spec.
