Material:

Aluminum alloy 6061 or aluminum alloy 2017

Material Specification:

Qq-a-225/8 federal specification single material response or qq-a-225/5 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 ty ii military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A208a0

Mil-std (military Standard):

Mil-a-8625 spec.
