**Overall Length:**

2.170 inches

**Quick Disconnect Method:**

Push-pull all ends

**Connection Style:**

Flared all ends

**Connection Type:**

Threaded external tube first fluid end connection

**Features Provided:**

Self-sealing

**Thread Size:**

0.438 inches all ends

**Seat Angle:**

37.0 degrees

**Outside Diameter Tube Accommodated:**

0.250 inches all ends

**Special Features:**

Ethylene-propylene o-rings

**Material:**

Steel body

**Material Specification:**

Qq-s-763 federal specification single material response body

**Style Designator:**

Male coupling half

**Thread Series Designator:**

Anpt all ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531t0
