Shank Length:

0.781 inches

Screw Thread Series Designator:

Ptf-spl short

Width Across Flats:

0.438 inches

Thread Size:

0.125 inches

Special Features:

End item forrestal class cv

Height:

1.250 inches

Material:

Steel

Material Specification:

Mil-f-3541 military specification single material response

Surface Treatment:

Zinc

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14800

Mil-std (military Standard):

Mil-f-3541 spec.
