End Application:

Used on f100/200/220/229 aircraft engines

Special Features:

Plug for tube of rear compressor cylindr hydraulic pressure extend and retract manifolds, variable geometry transfer valve tubes for f100-pw200

Supplementary Features:

T.O.2j-f100-14

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531v0
