Mounting Type:

Outlet connection line

Body Length:

8.050 inches

Body Outside Diameter:

3.380 inches

Filtering Element Quantity:

1

Special Features:

3psi bypass valve

Material:

Steel frame

Surface Treatment:

Nickel frame

Style Designator:

Suction type blunt end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
