End Application:

4730-01-362-5991; support equipment, b-2 bomber

Connection Type:

Threaded internal tube 1st end

Material:

Aluminum alloy 2024

Material Specification:

Ams 4120 assn standard single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Aces 1758 p mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
