Maximum Operating Pressure:

60.0 pounds per square inch

Special Features:

Alum 356-t6; stainless steel; packing preformed buna n mil-p-5315; prof pressure 60 psig; prof pressure 120 psig; one end ms33659-6 and one end m33656-e12

Media For Which Designed:

Fuel/oil, hydrocarbon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
