**Thread Direction:**

Right-hand

**End Application:**

Arleigh burke class dog

**Screw Thread Series Designator:**

Npt

**Body Design:**

Angle pattern

**Material And Location:**

Steel, corrosion resisting valve seat err-100 err-100

**Design Type:**

Thermostatic

**Maximum Steam Working Pressure:**

125.0 pounds per square inch

**Inlet/outlet Connection Pipe Size:**

0.500 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T359-b
