Thread Direction:

Right-hand

End Application:

Arleigh burke class dog

Screw Thread Series Designator:

Npt

Body Design:

Angle pattern

Material And Location:

Steel, corrosion resisting valve seat err-100 err-100

Design Type:

Thermostatic

Maximum Steam Working Pressure:

125.0 pounds per square inch

Inlet/outlet Connection Pipe Size:

0.500 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T359-b
