End Application:

4820-01-132-1598, 4820-01-132-3497, 4820-01-132-4827, 4820-01-133-5471, valve, safety relief 1/2in - 3/4in top guided

Connection Style:

External seat for gasket seal

Drive End Style:

Hexagon

Head Type:

Solid

Body Type:

Solid

Special Features:

Valve drain plug vent

Material:

Steel

Material Specification:

Astma108grb1113 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A208a0
