Shank Length:

9.200 millimeters

Bypass Relief Valve Setting Range:

Not rated

Screw Thread Series Designator:

Iso m

Thread Size:

6.000 millimeters

Thread Pitch In Millimeters:

1.0

Thread Tolerance Class:

External

Special Features:

Front/side loader forklift, cbd pt application

Height:

16.000 millimeters

Material:

Any acceptable

Surface Treatment:

Zinc

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14800
