Overall Length:

1.370 inches

Quick Disconnect Method:

Push-pull

Maximum Operating Temp:

55.0 degrees celsius

End Application:

Acft, ac-130, ac-130h, mc-130h, ec-130

Maximum Operating Pressure:

250.0 pounds per square inch

Material:

Stainless steel body

Surface Treatment:

Passivate body

Furnished Items And Quantity:

1 cap and 1 chain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531v0
