End Connection Quantity:

3

Flange Width:

3.250 inches

End Application:

M-1, abrams tank

Connection Type:

Flange, rectangular w/holes

Flange Length:

6.000 inches

Maximum Operating Pressure:

4000.0 pounds per square inch

Product Name:

Mainfold

End Item Design Control Activity:

01417

End Application Designator:

Carrier, bridge launching

Material:

Aluminum alloy 6061

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515e0
