Overall Length:

0.600 inches

End Application:

Aircraft, hercules c-130

Product Name:

Pressure plug assembly, 3/4 inch

Special Features:

Plug included: , o'ring; 1/160 7x7 cres 302/304, mil-w-83420, cable; 2 cres 300 series, ams 5567, passivated ferrules; cres 17-7 ph, ams 5678, passivated retaining pin

Material:

Stainless steel body

Material Specification:

Ams5659 assn standard 1st material response body

Surface Treatment:

Passivate body

Furnished Items And Quantity:

2 ferrule and 1 spring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531v0
