End Application:

Spray system jetstream raf 50 and navy 70 trolley foamers

Leg Length:

14.22 millimeters

Connection Type:

Threaded internal tube first fluid end connection

Product Name:

72n series quick release plug

Special Features:

Nipple coupling half; 0.250 in coupling size; 0.250 in. End fitting size; female british parallel bs2779 end fitting type; 0.750 in. Hex size; 1.50 inch length

Material:

Steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531t0
