End Application:

Mcm/eod lse

Connection Style:

Socket (pipe) all ends

Connection Type:

Unthreaded internal tube all ends

Product Name:

Elbow assembly

Special Features:

Finish hexavalent chromium deposit, .000010 thick; black chromium deposit, .000030 thick

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
