End Application:

Hot food well for various naval applications

Filtering Media Design:

Perforated

Product Name:

Drain strainer

Strainer Model Number For Which Designed:

Sm-50

Special Features:

Removeable screen that utilizes 2 clips for securing screen to drain hole

Material:

Steel comp 304

Style Designator:

Round (basically flat)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523h0
