**Reducer Type:**

Concentric

**End Application:**

Navy equipment

**Connection Style:**

Socket (pipe) 2nd end

**Connection Type:**

Unthreaded internal pipe 2nd end

**Nominallength:**

2.380 inches

**Product Name:**

Plug, pipe

**Special Features:**

Level "na" material inspection marking

**Material:**

Copper alloy

**Material Specification:**

Mil-c-15726f military specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A080b0

**Mil-std (military Standard):**

Mil-c-15726f spec.
