End Application:

1 1/2 inch number 792f-bh ballplex strainer; naval applications

Working Pressure And Service Type:

225.0 pounds per square inch water err-100 err-100

Product Name:

Threadseal

Special Features:

Plated steel with buna-n ring

Material:

Rubber, buna-n and steel

Material:

Rubber butadiene-acrylonitrile class nbr and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T385-q
