Maximum Operating Temp:

190.0 degrees fahrenheit single response

End Application:

1520-01-355-8250

Connection Style:

Insert (tube) all ends

Leg Length:

0.938 inches 3rd end

Connection Type:

Unthreaded external tube all ends

Outside Diameter Tube Accommodated:

0.375 inches all ends

Special Features:

Barbed fittings suitable for use w/flex tubing

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
