End Application:

Wsd: consolidated ground support equipment

Thread Size:

0.125 inches external

Product Name:

Socket head plug, steel

Special Features:

Qty per assembly: 8; used on pump assembly, axle jack, part number si4394202-201

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A208a0
