**Tube Outside Diameter For Which Designed:**

0.500 inches

**Features Provided:**

Hook and chain assembly

**Product Name:**

Cap - lubrication fitting, protective

**Special Features:**

Material: epichlorohydrin (non-metallic) cap; for use w/adapter ms24476-1 (00-812-9739)

**Material:**

Stainless steel chain

**Style Designator:**

Cap

**Supplementary Features:**

Sleeve is copper zinc coated; see m24480-1

**Specification Data:**

81349-mil-dtl-25677/2 government specification

**Departure From Cited Document (non-core):**

Cap with 7 inch cable, instead of chain

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A208a0
