Inside Diameter:

4.250 inches

Overall Width:

0.750 inches

End Application:

F-22 aircraft

Fastening Device Type:

T-bolt

Application/function:

Used as loop clamp to support 4.250 o.D. Tube

Special Features:

T-bolt length 2.250 inches; 10-32unf-3a threads

Material:

Steel comp 301

Style Designator:

Band

Supplementary Features:

With two threaded lugs; 10-32nf-2a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
