Connection Style:

Flanged to grooved clamp (female)(hose) inlet

Connection Type:

Unthreaded external hose inlet

Inside Diameter Hose Accommodated:

1.900 inches inlet

Nominallength:

1.750 inches

Product Name:

Valve adapter

Material:

Copper alloy

Material Specification:

Uns-c84400 81-3-7-9 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A080b0
