## NSN 4730-01-491-3854

Sediment Strainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4730-01-491-3854

End Application:
Ship; chiller
First Intake Connection Type:
Internal solder line
First Discharge Connection Relationship To Intake Connection:
Identical to first intake connection
Special Features:
Copper inline strainer; 3/8 in. Tube solder connection
Material:
Copper alloy body
Media For Which Designed:
Water
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A24000
