Inside Diameter:

1.250 inches

Overall Width:

0.625 inches

End Application:

Various naval applications

Fastening Device Type:

Punch lock

Special Features:

Preformed f series center punch band clamp; hose clamp

Material:

Steel

Surface Treatment:

Galvanized

Style Designator:

Adjustable band

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
