Overall Length:

2.260 inches

Quick Disconnect Method:

Push-pull

Quick Disconnect Size:

0.250 inches

Maximum Operating Temp:

400.0 degrees fahrenheit

End Application:

5411-01-436-3326

Maximum Operating Pressure:

80.0 pounds per square inch

Product Name:

Connector protector cap

Special Features:

Cap has chain used as lanyard

Material:

Stainless steel body or steel body

Media For Which Designed:

Air

Furnished Items And Quantity:

1 chain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531v0
