End Application:

Hose reel assemblies

Component Quantity:

4

Special Features:

Two backup rings part num. 108235; backup ring 0.830 in. Inside diameter; two o-rings part num. 166702; o-ring material is rubber butadiene-acrylonitrile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
