**End Application:**

Hose reel assemblies

**Component Quantity:**

4

**Special Features:**

Two backup rings part num. 108235; backup ring 0.830 in. Inside diameter; two o-rings part num. 166702; o-ring material is rubber butadiene-acrylonitrile

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
