Bolt Circle Diameter:

7.500 inches

Flange Diameter:

9.000 inches

Thickness:

0.940 inches

Pipe Size For Which Designed:

4.000 inches

Bolt Hole Quantity:

8

End Application:

Shop store no

Bolt Hole Diameter:

0.625 inches

Material:

Copper alloy and nickel alloy

Material Specification:

Asmeb16.5 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23300
