Shank Length:

0.610 inches

Shank Diameter:

1.500 inches

Product Name:

Discharge fitting

Special Features:

Estock size 1.50 outside diameter x 1.40; material 6061-t651 al aly bar; outside diameter smaller end 0.739 min 0.749 max, inside diameter smaller end 0.500 min 0.507 max; inside diameter larger end 1.178 min 1.180 max

Height:

1.350 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-225/8 federal specification single material response

Style Designator:

Unthreaded

Supplementary Features:

End item sh-2g seasprite helicopter

Fsc Application Data:

Nha k879307 discharge fitting, pump

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14800
