**End Application:**

Crane, boat, aircraft

**Product Name:**

Manifold

**End Item Design Control Activity:**

60848

**End Application Designator:**

Swing system

**Special Features:**

Manifold is 2.00 in diameter x 3.75 in length

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515e0
