End Application:

Crane, boat, aircraft

Product Name:

Manifold

End Item Design Control Activity:

60848

End Application Designator:

Swing system

Special Features:

Manifold is 2.00 in diameter x 3.75 in length

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515e0
