End Application:

Shutoff valve adapter assembly

Product Name:

Adapter fitting

Special Features:

Weld and inspect iaw navsea s9074-ar-g1b-010/278, class p-2; inspect welds iaw navsea t9074-as-g1b-010/271, or astm e1417, type 1, method a, sensitivity level 3

Material:

Copper alloy and nickel alloy

Material Specification:

Qq-n-281 form 1 federal specification single material response

Media For Which Designed:

Water single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A080b0
