Body Material:

Steel, corrosion resisting

Thread Class:

3a

Thread Direction:

Right-hand

Overall Length:

Between 1.830 inches and 1.870 inches

Thread Size Designator:

9/16-18

Filter Material:

Steel, corrosion resisting

Design Type:

Straight

End Connection Type:

Threaded male

End Connection Similarity:

Identical

Pressure Rating:

3000.0 pounds per square inch

Thread Series:

Unjf

Strainer Type And Quantity:

1 screen

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T359-c
