**Casehardening Indicator:**

Not casehardened

**End Application:**

Engines upa 41010 and upa 41100

**Hose/tube Outside Diameter For Which Designed:**

0.500 inches

**Product Name:**

Hose end

**Special Features:**

90 degree; push-on hose end; blue body with red sleeve

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Surface Treatment:**

Anodized

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T385-j
