Overall Length:

4.500 inches

Quick Disconnect Method:

Push-pull

Maximum Operating Temp:

32.0 degrees celsius

End Application:

Beach recovery vehicle

Product Name:

Flush face/dry break coupling

Special Features:

Rugged; hydraulic fluid media; female british parallel bs2779 threads

Material:

Stainless steel body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531v0
